2022 ANNUAL REPORT

Dear Friends,

As I reflect back on this past year, I am overcome by the support of our community. Every day I look around the shelter and see the imprint of your generosity and care. It's because of you, others have a warm bed and a hot meal. It's because of you, our friends and neighbors can secure better employment and affordable housing. It's because of you, those in need have access to the resources they need for personal success.

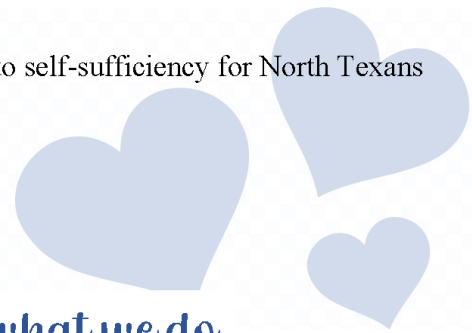

You are at the heart of everything we do for the homeless seeking shelter at the Arlington Life Shelter, which is why I couldn't wait to share with you our enclosed annual report. This report highlights just a few accomplishments achieved in 2022. It tells the story of the impact you're making on our community!

Arlington Life Shelter envisions a community where all individuals, families, and children affected by homelessness have access to the services and support necessary to regain self-sufficiency. Your support makes this vision a reality for our residents.

We love your heart, generosity, and commitment to help pave way to self-sufficiency for North Texans experiencing homelessness.

Gratefully,

Stephanie R. Melchert
